Form 990, Part I, Line 1, Description of Organization Mission:

Fostering Family is committed to strengthening Houston's foster and kinship families and the communities that surround them through training and collaboration. In November 2021, Fostering Family filed for an Assumed Name Certificate, and in May 2022 rebranded to the public as The Riverside Project. While the name of the organization has changed, we continue to operate the same core programs and have expanded to include new initiatives.

Form 990, Part III, Line 2, New Program Services:

Before our rebrand, "The Riverside Project" was the name of our initiative to equip and mobilize Houston's churches and community leaders to support the needs of vulnerable children and families in their area. This initiative has expanded and is now called The Response Network.

This year we have also added the Residential Treatment Center Learning Community: a collaborative learning community that 1) equips staff with training opportunities and connections to local resources, 2) explores evidence-based frameworks together, and 3) works toward sustainable solutions in partnership with key stakeholders.

Form 990, Part III, Line 4a, Program Service Accomplishments:

The Riverside Project launched in August 2020 to equip and mobilize Houston's churches and community leaders to support the needs of vulnerable children and families in their area. Through collaborative workshops and ongoing coaching, The Riverside Project equips churches

and community leaders to work with one another and community stakeholders to meet needs in their specific communities and to address systemic issues that lead to children entering foster care. Core initiatives of The Riverside Project include:

CarePortal: a technology platform that connects the needs of vulnerable families to community partners through The Riverside Project who are willing to serve. Fostering Family utilized the CarePortal platform from June 2020 until March 2021. Beginning in April 2021, Fostering Family launched The Response Network as an alternative to using the CarePortal platform to meet the needs in our community. As a result, 378 individuals were served through these initiatives in FY22.

Trust-Based Relational Intervention (TBRI) Training: an initiative to train professionals in attachment-based, trauma-informed intervention to meet the complex needs of children from hard places. 89 professionals were trained in the TBRI for Caregivers curriculum during FY22.

Church and Community Engagement: We equip and mobilize congregations and community stakeholders to 1) identify and support the needs of vulnerable children and families in their congregations 2) mobilize their communities to serve their neighborhoods, and 3) work collaboratively to maximize impact. During FY22, 54 church leaders attended our Church Leader Training.

Readiness Initiative spearheaded by the Texas Alliance of Child and Family Services (TACFS) in conjunction with the DePelchin Children's Center. Our Executive Director chaired the Provider Workgroup of this initiative and helped to develop two collaborative efforts to address specific areas of concern in our local child welfare system, including 1) Keeping Families Together: A Comprehensive Framework to Address Barriers that Cause Kinship Families to Delay, Decline or Discontinue the Foster Parent Licensing Process, and 2) RTC/GRO Learning Community: Transforming Residential Interventions in Region 6. Through these initiatives, we worked with other organizations to provide monthly information sessions for kinship families, provided support to meet the needs of kinship families, and hosted an 8-week book study, trauma-informed training, and collaborative calls for congregate care providers.

Form 990, Part III, Line 4d, Other Program Services:

Through the Children Without Placement Program, Fostering Family supported the Department of Family and Protective Services by providing tangible items for the children in foster care on any given night who have nowhere to sleep as they await a more stable placement. Fostering Family has mobilized the community to provide meals to children without placement and we have also collaborated with various partners to provide recreational activities, mental health resources, crisis intervention services, and more stable living spaces.
